FRISKY'S 2013 CHRISTMAS LETTER

By Colleen Layton-Robbins

Merry Christmas everybody! Wow, another year has passed and I am positive we are all reflecting on our health and what we have and have not accomplished. We are all saying the same thing, “I will get it done this year! From our health to getting organized!”

I start off every day aware of my own wonderful and blessed life. Of course, I have all of you out there for making this sanctuary life possible. With your support and donations we have been able to continue. Many of you have cared and brought animals in for help and rehabilitation. And many of you have found the means to help out in your own way.

I want to thank you all! Do not ever doubt that your care went unnoticed. You were noticed and appreciated.

In March, I will be turning 60 years old. I’ve never regretted the years of dedication I’ve given to Frisky’s Sanctuary. I still look forward to each and every day. It is lots of hard work with many shed tears, yet it had not only enriched my life, it has enriched the lives of many of my friends and family.

For the last 25+ years, my 63 year old husband, Scott Robbins has dedicated his life and worked

Scott & Colleen Layton-Robbins

hard for Frisky’s Sanctuary. He’s up before 3:30 am working 5-6 days a week, getting home after 5:30 pm and he still makes our dinner every night! Then he helps out with the work until bedtime. Like I said, he’s done this for 25 years!

I’m just saying.. We all have our aches and pains and we are all struggling with something or someone in our lives. But look around... Count your blessings and loved ones. As well as our supporting friends near and far.

I hope you all have a Merry Christmas!

Sincerely,
Colleen Layton-Robbins
